## Variety of roofing options

Jagram offers a variety of roofing options; Felt shingles in green or black, treated timber slats, Western Red Cedar shakes, European larch tiles.

## Environmental awareness

Jagram ensures that all the timber used in the manufacture of our garden products is replaced by means of new trees being planted.

## Outstanding craftsmanship

Our highly skilled craftsmen lead the way in innovative garden design and building techniques, a perfect combination of classic architecture and functional practicality.

## Highest quality materials

All Jagram products are manufactured from carefully selected Northern European Softwood obtained from properly managed forests, treated with advanced formula preservative. We offer 10 years guarantee against rot\*.

# Brompton Gazebo

GAZEBO

A handsome wooden garden building, the Harrogate Summerhouse allows you to enjoy your garden all year round. The windows and doors of this hexagonal summerhouse are glazed with 4mm toughened glass. British-made brass door fixtures are included as standard.

# Georgian Summerhouse Pavillion

SUMMERHOUSE

- Roof tiles available in either black or green
- Floor included
- Benches sold as an option

The Georgian Pavilion Summerhouse is a large octagonal structure, the perfect place for both entertaining and relaxing. The double doors provide easy access and the top opening windows keep it cool during the summer months. The Georgian Pavilion is an elegant structure providing lots of space and is supplied fully glazed.

# Harrogate Summerhouse Pavillion

SUMMERHOUSE

- Roof tiles available in either black or green
- Floor included
- Benches sold as an option

The Harrogate Pavilion Summerhouse is a traditional garden pavilion, available in two sizes. This large timber-built summerhouse with double doors will provide plenty of room for entertaining or can be used simply as a place to sit and relax. The windows and doors are fitted with 4mm toughened glass and the doors feature British-made brass fixtures.

# Edwardian and Victorian Greenhouse

GREENHOUSE

The Victorian and Edwardian Potting Houses combine classic good looks with practicality. They are glazed throughout with toughened safety glass and each panel features an opening fanlight to provide adequate ventilation. Both Victorian and Edwardian greenhouses come complete with all-round, pressure-treated working benches as standard.

- Floor sold as an option
- Staging sold as an option
- The Edwardian's doors can be supplied to be located in the centre or at one end

# Margaret Greenhouse

GREENHOUSE

- Second set of staging available as an option

Timber-built greenhouse will be a truly decorative feature of your garden, its brown painted wood is elegant and stylish. If in many years' time their elements need to be disposed of, this will not affect the environment. Our greenhouses are easy to install and use. Their simple instructions and well-prepared sections mean that they can easily be assembled. Their well-planned features make using them a real pleasure.

# Revelatio Carport

CARPORT

Double 041838

Triple 041839

- Roof tiles available in either black, green, red or brown

# Nevada Carport

CARPORT

Single 041837

Double 041835

- Roof tiles available in either black, green, red or brown
- Infill panels not included

The Nevada Double Carport is a beautiful timber-built carport, based on glulam timber arches, providing protection against the elements, tree sap and bird droppings. In bad weather, the Nevada Carport will also make your trips to and from your car far more pleasant.

# Ludlow Lean-to Carport

The Ludlow Lean-to Carport provides the perfect car parking solution. Alternatively, this wooden structure could be used within your garden to create an outdoor entertaining area as it can provide shelter over your patio. The Ludlow carport is erected against a wall of your main building, thus saving space.

CARPORT

041842

• Trellis panels sold as an option

# Contego lean-to Carport

CARPORT

Our Contego Lean-to Carport is the ideal choice for smaller gardens. It protects your vehicles from the elements and provides shelter from the rain. More than that, it is incredibly easy to build with three different post holders available and way cheaper than a traditional garage.

041847

041848

041849

• Trellis panels sold as an option

# Conwy Carport

CARPORT

The Conwy Carport is available in two sizes as a single or a double carport. It is a substantial wooden carport that offers protection against the elements plus plenty of covered space for you to work underneath.

Single 041823

Double 041820

• Trellis panels available as an option

## Further Information

Our product range includes a large selection of gazebos, garden canopies, greenhouses, summerhouses, and carports. However, we also manufacture bespoke garden structures.

### ACCESSORIES:

#### Bench Sets

Seats enhance our gazebos and summerhouses giving you maximum benefit.

#### Seat and Back Cushions

They are made of the highest quality fabric, 100% treated, stain and UV resistant with a waterproof finish.

#### Canvas Panels

A great addition to any gazebo that provides shelter from the elements. We offer full canvas panels, as well as half clear canvas panels.

### ROOFING OPTIONS:

#### Black or green felt shingles

Asphalt shingles that are both economical and durable.

#### Western red cedar shakes

Top quality, natural wood tiles from Canadian cedar, extremely durable and beautiful.

#### Treated wood boards

Tanalised spruce profile boards, which are natural and beautiful, but are not 100% waterproof.

#### European larch shingles

Larch shingles 10 mm thick, cut and planed - the hardest coniferous wood. Attractive and economical.

All measurements quoted in this catalogue are approximate and in centimeters.
